Welcome!

Your account has been created.

Login using:

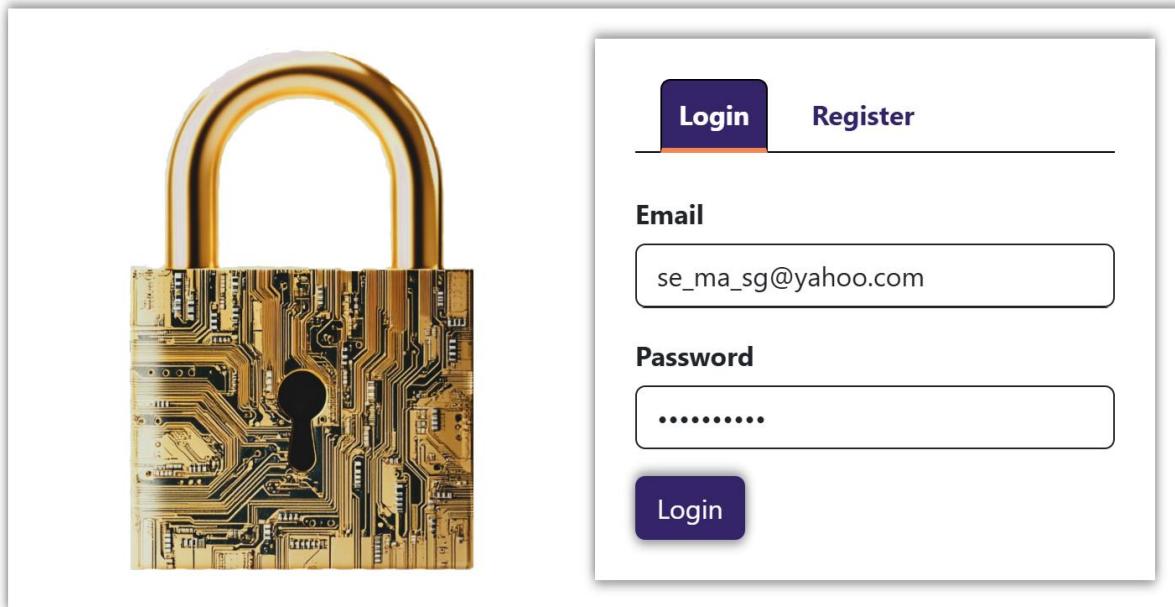

Email: se_ma_sa@yahoo.com

Password: clbNbqZdvn

Please login and change your password after first use.

Login

Enter the “Email” and “Password” fields as provided in the email and click “Login” button.

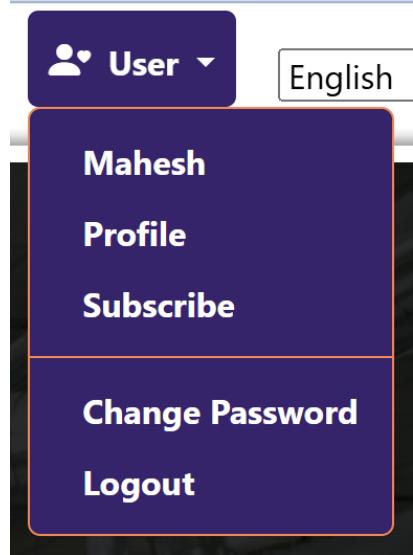

You will see the below page with notification “Login Successful”

The image shows the homepage of the "Smart Consultant" web application. The header includes the Textile Chanakya logo, a navigation bar with links for Home, Smart Consultant, About Us, Privacy Policy, Contact Us, User, and a language selector for English. The main content features a large image of a bald man in traditional Indian attire (Yogi) standing in a modern industrial spinning mill. The text "Smart Consultant FOR THE SPINNING MILLS (A Web application for the paid subscribers)" is displayed. On the right, there are sections for "Contents" (Identifier, Implementer, Analyser, Treasury) and "Useful for" (Spinning Mill Investors, Managers, Consultants, Yarn Buyers, Fabric Manufacturers, Textile Students). The footer contains copyright information (© 2026 All rights reserved) and a note that it is "Powered by SappS.cloud".

Please note that the “**Login**” menu item is no longer available, instead you will see the “**User**” menu item. The “**User**” menu has the following sub-menus:

Name

The first item is your name displayed, as entered in the “**Registration**” page.

Profile

The next item is “**Profile**” on clicking this you will see the below page:

User Profile - Mahesh				
Email ID	Role	Subscription Status		
se_ma_sg@yahoo.com	Guest	Registered		

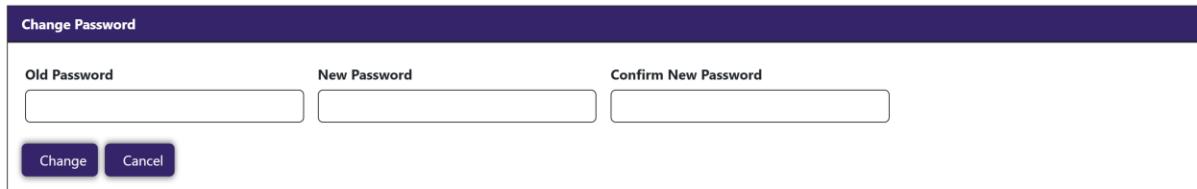

Subscription Details

Requested Date	Status	Start Date	End Date	Fee (Rs.)

Please note that at this point of time the “**Subscription Status**” is “**Registered**”

Change Password

The other menu item is “**Change Password**”. On click of the button you will see the below page:

A screenshot of a 'Change Password' form. The form has a dark blue header with the title 'Change Password'. Below the header are three input fields: 'Old Password', 'New Password', and 'Confirm New Password', each with a corresponding label. At the bottom of the form are two buttons: 'Change' and 'Cancel'.

Please enter the **Old**, **New** and **Confirm** password and click “**Change**” button. This will show the notification as below:

Subscribe

The next item is “**Subscribe**” on clicking this menu, you will see the below page:

Subscribe

The subscription amount is Rs.6,000/- (Rupees Six Thousand only) per annum

Please scan the below QR code, add your email id in note, pay and click the button below:

[Request](#)

Scan this QR code and pay the specified subscription amount, mentioning your email as reference. And click the “**Request**” button, you will see the below notification.

Thank you for your subscription. Please check the status of your subscription on your Profile page. You will get access to the subscribers content soon.

Also the system will send the notification to the **Admin** to approve your application for subscription. .

By this time if you go and see your profile, it looks like the below:

User Profile - Mahesh

Email ID	Role	Subscription Status
se_ma_sg@yahoo.com	Guest	Applied

Subscription Details

Requested Date	Status	Start Date	End Date	Fee (Rs.)
2026-01-27 16:39:39.668066	Applied	None	None	5000

Before your subscription gets approval, you can still navigate to “**Smart Consultant**”, however you may not be able to see the “**Reasons**” and “**Download**” the value-added documents.

For example, if you click in the “**Smart Consultant**” -> “**Identifier**” menu item, you will see the below screen:

Identifier

Topic	Issue	Department	Category
Warping - Yarn Breakages	Hair	Mixing	Men

Identifier Results

Topic: Warping - Yarn Breakages	Issue: Hair
Department: Mixing	Category: Men
Reasons	
Please subscribe to our services in order to see the reasons	

For example, if you click in the “**Smart Consultant**” -> “**Identifier**” menu item, you will see the below screen:

Implementer (5)

#	Description	File	Size	Created	Action
1	xxxx	3_Formats_-_Individual_Process_Waste_Monitoring_Record.xls	50.5 KB	2026-01-22 21:52	Download

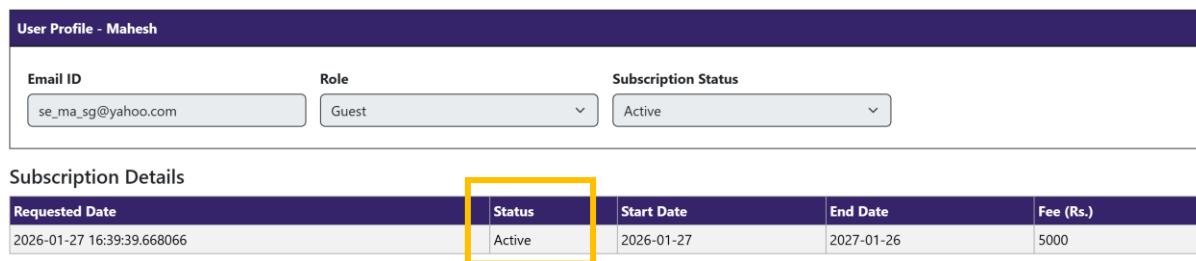

Level1 (3)

Level 2 (1)

However, if you click on the “Download” button you will get notification:

After the **Admin** approves your subscription, your profile will show your subscription status as below:

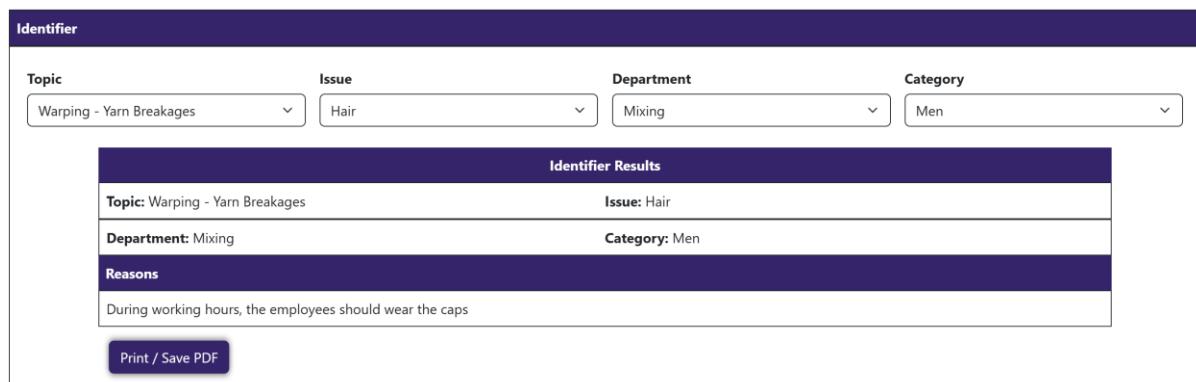

User Profile - Mahesh				
Email ID	Role	Subscription Status		
se_ma_sg@yahoo.com	Guest	Active		
Subscription Details				
Requested Date	Status	Start Date	End Date	Fee (Rs.)
2026-01-27 16:39:39.668066	Active	2026-01-27	2027-01-26	5000

Please note the **Start** and **End Date** of your subscription.

From this point onwards, you will be able to see all subscriptions related assets.

For example, if you click in the “Smart Consultant” -> “Identifier” menu item, you will see the below screen:

Identifier			
Topic	Issue	Department	Category
Warping - Yarn Breakages	Hair	Mixing	Men
Identifier Results			
Topic: Warping - Yarn Breakages	Issue: Hair		
Department: Mixing	Category: Men		
Reasons			
During working hours, the employees should wear the caps			
Print / Save PDF			

When you click on “Print / Save PDF” you will see the following in the new window:

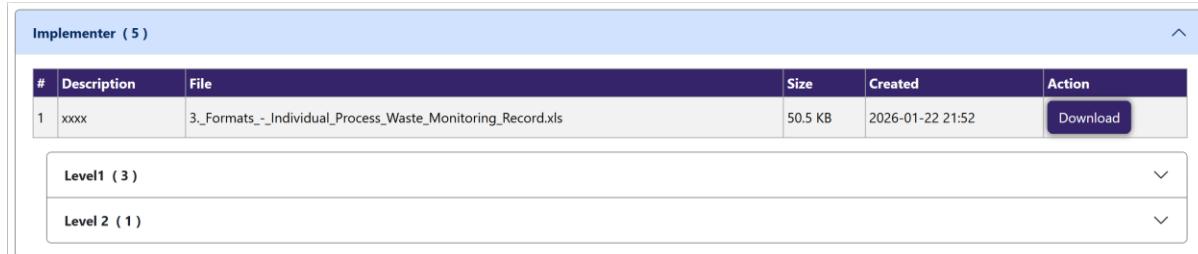

Identifier Results

Topic: Warping - Yarn Breakages **Issue:** Hair
Department: Mixing **Category:** Men

Reasons

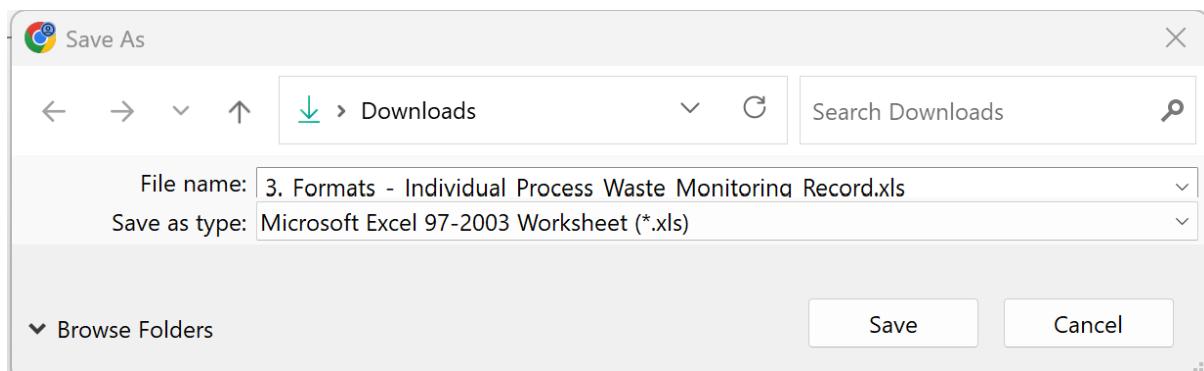

During working hours, the employees should wear the caps

For example, if you click in the “Smart Consultant” -> “Identifier” menu item, you will see the below screen:

The screenshot shows a table titled "Implementer (5)". The table has columns for "#", "Description", "File", "Size", "Created", and "Action". There is one row with the following data: #1, Description "xxxx", File "3_Formats_-_Individual_Process_Waste_Monitoring_Record.xls", Size "50.5 KB", Created "2026-01-22 21:52", and Action "Download". Below the table, there are two expandable sections: "Level1 (3)" and "Level 2 (1)".

And click of “Download” button, you will be able to save the file, as shown below, in your local disk.

Logout

The last item is “Logout”, this will log the user out of the application and show back the “Login” menu item.

NOTE:

1. All users are requested to use “Logout” link after completion of your work. This will ensure the clean and smooth “Login” of next time, otherwise you may see notifications like “Multiple Login identified” or “Session Conflict”.
2. At any point of time, the user can operate one session with their user name and password. If the user login with another instance, the application will allow the user to access in the new session, however, the old session will not be active. Clicking of any menu links in the old session, will automatically logout the user.
